## SKILLS

Cybersecurity | Nexsuss | Openvas | MitreAttack | Scoring | HacktheBox | Wireshark | Burpsuite | Metasploit | Bash | Nmap | Gobuster | Active Directory | Impackets |

Java | C++ | C# | Kotlin | PHP | JavaScript | Laravel | Python | React | Vue | Node | MySQL | Git | OOP | Unreal Engine | Android | NoSQL | C |

Critical Thinking | Decision-Making | Personal Development | Team Leadership | Building Trust | Diversity & Inclusion | Leadership | Relationship Building | Resiliency | English, Germany -All professional proficiency or above

## EXPERIENCE

### CyberSecurity and Ethical Hacking | Sep 2023 – Nov 2023 | Internship

As an intern at Senselearner Technologies Pvt. Ltd., I delved into the fascinating world of cybersecurity and ethical hacking. The experience was not only educational but also hands-on, allowing me to apply theoretical knowledge to real-world scenarios. Key Highlights of Internship:

- Footprinting and Reconnaissance
- Exploitation and Post Exploitation
- Documentation and Reporting

### CyberSecurity Student | Part-Time

Studying cyber security part time | finished the following courses.

- Certified in Cyber Security (CC)
- Application of Att&ck Navigator
- Introduction to Critical Infrastructure Protection (ICIP)

Key Projects:

- Risk Scoring
- Risk Governance and Compliance
- Analyzing attack that exploits the CVE.
- NIST Framework v

### Player - HackTheBox Hacking Labs | Part-Time.

I am engaged in hands-on lab experiences on platforms like Hack the Box, where I am unraveling the complexities of ethical hacking, penetration testing, and vulnerability assessment. These labs provide me with practical exposure to real-world cybersecurity challenges, allowing me to develop innovative solutions.

Key Projects/Labs:

- Search
- Paper
- Spider
- Late
- Opihuchi

# EDUCATION

## **Strathmore University**

Bachelor of Business Information Technology, Information Technology (BBIT)

2020 – 2023

## **St Antony's Boy High School-Kitale**

Kenya Certificate of Secondary Education (KCSE)

2016 – 2019

## **Mary Immaculate Primary School-Kitale**

Kenya Certificate of Primary Education (KCPE)

2013 – 2015

# PERSONAL PROFILE

I am a diligent, self-reliant, and motivated individual eager to acquire new knowledge and make meaningful contributions to a company. With a commitment to excellence, professionalism, and a relentless passion for my work, I strive to explore and contribute to the dynamic field. I possess the grit to satisfy my curiosity in the workspace and operate efficiently within specified timeframes and budgets. Presently, I am actively seeking a fitting position with a reputable company where I can apply and further enhance my skills.

# LICENSES & CERTIFICATIONS

(ISC)<sup>2</sup>

Certified In CyberSecurity (CC)

OPSWAT Introduction to Critical Infrastructure Protection (ICIP)

**AttackIQ**

Foundations of Operationalizing MITRE ATT&CK

Application of ATT&CK Navigator

Foundations of Breach & Attack Simulation
