EXPERIENCE

Cyber Security Student | Part-Time

Currently Studying cyber security part time | finished the following courses.

- Certified in Cyber Security (CC)
- Application of Att&ck Navigator
- Introduction to Critical Infrastructure Protection (ICIP)

Key Projects:

- Risk Scoring
- Risk Governance and Compliance
- Analyzing attack that exploits the CVE.
- Nist Framework v

Player - HackTheBox Hacking Labs | Part-Time.

Currently I am engaged in hands-on lab experiences on platforms like Hack the Box, where I am unraveling the complexities of ethical hacking, penetration testing, and vulnerability assessment.

These labs provide me with practical exposure to real-world cybersecurity challenges, allowing me to develop innovative solutions.

Key Projects/Labs:

- Search
- Paper
- Spider
- Late
- Opihuchi
